Subject: News from The Optics Institute of Southern California (Number 3)

AS HISTORY

Welcome to the **third** OISC E-Newsletter.

Never Forget

Visit our web site at <http://oisc.net> for more news and information. Share this with friends and colleagues who may find this of interest.

NEW **BIG NEWS!!!**

Today The OISC has become a Sponsored Project of Community Partners.

This allows the OISC to be part of a 501(C)(3) non-profit organization and qualify for tax exempt grants and donations.

Discover your most comfortable way of Supporting the OISC by clicking here.

NEW **Volunteering is a big part of the OISC's activities; learn how you can help this fall with THINK Together.**

NEW **Membership is another way you can help, follow the links to join.**

Visit the OISC in Tucson Oct. 5 - 9 at:

Education and Training in Optics and Photonics

Tucson, AZ

Donn Silberman, OISC Director, to present:

- ["The Optics Institute of Southern California, organizing and implementing the outreach effort."](#)
Tues. Oct. 7, 2:30 - 2:45pm
- [An informal Table Top Demonstration of "OSA Rochester Section Optics Suitcase: A forty-minute middle school outreach program for the cost of a postage stamp" for Prof. Stephen Jacobs on](#)
Wed. Oct. 8, 4 - 5 pm.

Also, The OISC will have a table top exhibit Tues & Wed, Oct 7 & 8 from 10 am to 4 pm at:

Frontiers in Optics the 87th OSA Annual Meeting

Laser Science XIX

The [Advance Program](#) is now available online!

The Frontiers in Optics/Laser Science Conference provides a unique opportunity for members to network and exchange ideas about optics research! Some of the meeting highlights include:

- Presentations from luminaries addressing innovative developments that span the field of optics
- Daily networking events
- World-renowned plenary speakers: Presidential Science Advisor John H. Marburger, III, J. Roger P. Angel from the University of Arizona and Gerald Gabrielse from Harvard University
- Over 650 peer-reviewed papers and more than 800 presentations
- More than 150 technical sessions
- Co-located events: [Education in Optics & Photonics Training](#) and [Optics Hot Spots](#)
- And much more!

Visit www.frontiersinoptics.org and explore the many exciting programs and sessions this year's meeting has to offer!

[Hilton Tucson El Conquistador Golf & Tennis Resort · Tucson, Arizona · October 5-9, 2003](#)

Short Courses

With our continued commitment to technical education, OSA brings you a selection of Short Courses taught by the field's top instructors. Attend one of this year's Short Courses for the latest insights on these topics:

- Nanophotonics: Design, fabrication and characterization
- Ultrashort pulse measurement
- Principles of Fourier optics and diffraction
- An introduction to femtosecond laser science
- Introductory nonlinear optics

Short Courses take place on Sunday, October 5. Visit the Frontiers in Optics Web site for complete [course descriptions](#).

Important Deadlines

Hotel Reservations – September 3

*Make your reservations by September 3 and be eligible to win prizes!

Pre-Registration Deadline – September 12

Postdeadline Submissions

Electronic Deadline – September 30, 5:00PM ET

On-site Deadline – October 5, 12:00PM MT

[Your feedback is important to use, please let us know what you think about our programs, activities and website and how you would like to help.](#)

Contact OISC: [info @ OISC](mailto:info@oisc) | Tel: +1-949-636-6170 <http://oisc.net>

The OISC is proud to be a Project of [Community Partners](#), a 501 (c) (3) not for profit corporation in the State of California
The OISC uses optics as a vehicle to make science and technology interesting and accessible to people in Southern California.
