

Optricks Day

Mission

Use optics to make science and technology interesting to people in Southern California.

Bring optics exhibits, demonstrations, presentations and follow-up classroom 'hands-on' materials to K-12 Students and Teachers in Southern California.

Encourage students to study optics in college and provide paths for them to follow.

Provide local companies and schools a forum to showcase their technologies to young people to help with the above.

Optricks Day

Sponsorships

Sponsorships are available in many ways:

- Exhibit tables
- Workshops
- Presentations
- Demonstrations
- Promotional gifts
- Financial support

The Optics Institute
Of Southern California

The OISC is a Project of Community Partners,
a 501 (C)(3) non-profit organization.

Optricks Day

at the

Sat. March 5th
2005

Organized by:

The Optics Institute
Of Southern California

What can
Optricks Day
 do for
 Sponsors?

Opportunities for sponsors to:

Showcase their technologies to the local community.

Get kids (of all ages) excited about optics and their applications.

Help inform young minds about the fun and adventures in the world of optics.

Connect science educational outreach to real world applications.

What is?
Optricks Day

Fun with Optics

Hands-On Demonstrations:

- Dr. Murty's OPTRICKS
- The Teen Optics Club Bench
- Holograms
- Microscopes, Telescopes, Binoculars & Cameras
- EyeBall Optics
- Visual Pin Ray Tracing

Workshops for kids:

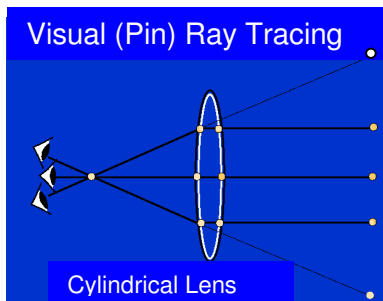

- Color My World
- Making Lenses & Mirrors
- The Optics Suitcase

Presentations:

- The Optics Suitcase for teachers
- EyeBall Optics

Exhibits

Real World Optics & Applications. From everyday optics to today's most advanced optical technologies.

Original Optricks
 from Dr. Murty
