

What can
Optricks Days
 do for
 Sponsors?

Opportunities for sponsors to:

Showcase their technologies to the local community.

Get kids (of all ages) excited about optics and their applications.

Help inform young minds about the fun and adventures in the world of optics.

Connect science educational outreach to real world applications.

What are?
Optricks Days

- The Optricks Apprentice

Exhibits

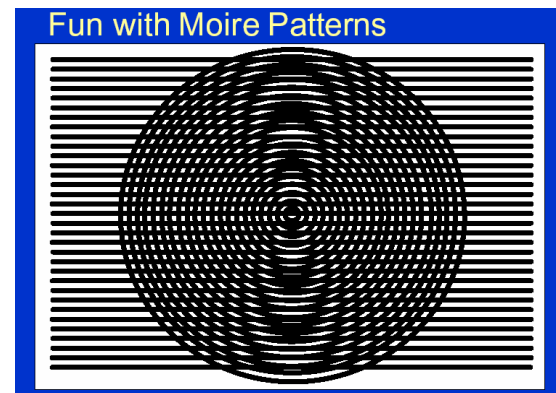

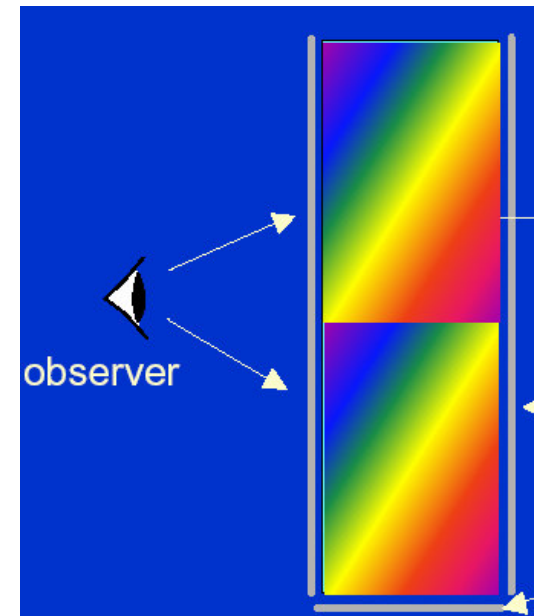

Real World Optics & Applications.
 From everyday optics to today's most advanced optical technologies.

With Inspiration By:

Dr. Murty
The Wizard of Light

Original Optricks

Optricks Days

Mission

Use optics to make science and technology interesting to people in Southern California.

Bring optics exhibits, demonstrations, presentations and follow-up classroom 'hands-on' materials to K-12 Students and Teachers in Southern California.

Encourage students to study optics in college and provide paths for them to follow.

Provide local companies and schools a forum to showcase their technologies to young people to help with the above.

Optricks Days

Sponsorships
