

Gifted & Talented

1st-4th graders

# UCI Gifted Students Lower Academy

Gifted Students Academy Exploratorium is an all day innovative program for gifted and talented students entering 1st through 4th grades. The two 1-week programs are exploratoriums blending science, art, technology and creative writing. It will provide a multimedia approach with computers and the web, science, art, language arts and recreational activities. Introduction to life on a college campus while experiencing hands-on laboratory activities and experiments will make the 1 week program memorable. The sessions will be from 9 AM to 3 PM each day with an hour lunch in the UCI Dining Hall.

Extended day is available.

Classes are:  
August 2-6  
August 9-13

Exploratoriums blending science, art, technology and creative writing
